## Town Meeting New Member Mentoring Program

In an effort to fulfill its mission to help Town Meeting members be better informed, TMCC has a mentoring program that pairs new members with experienced members. New members would choose one or more experienced members as a mentor from a pool of volunteers.

*To request a mentor or to volunteer to be a mentor, please call Mary Streeter at 253-2441 or email Peggy Roberts at [peggyrr@hotmail.com](mailto:peggyrr@hotmail.com)*

### Request a Mentor

If you are a new Town Meeting Member and would like to ask questions about Town Meeting or the Warrant for Annual Town Meeting, the Town Meeting Coordinating Committee is able to provide a list of experienced Town Meeting members who have agreed to mentor new members. You may choose your mentor or be matched with one.

### Volunteer to Mentor a New TM Member

We have been pleased to hear from several volunteer mentors and it is not too late for other members to volunteer to help new Town Meeting members.
